

Privacy Policy

Rental Designer undertakes to ensure that the collection and processing of data from the rental designer.com website comply with the General Data Protection Regulation (GDPR) and the Data Processing, Data Files and Individual Liberties Act.

Who will receive your data?

The company Rental Designer, located 419 Rue Ste Blandine, 73120 Courchevel Moriond is responsible for processing personal data for the site rental designer.com.

Unless otherwise stated, the personal data collected is intended for internal use and is not intended to be shared with third parties outside the cases provided for by the laws and regulations. However, it may be made available to service providers (subcontractors as defined by the regulations) of Rental Designer, under its control, for the strict needs and within the limits of their mission.

How is your data collected?

Your data may first be collected on forms. Each form or online service collects as little data as possible (data minimization) and states:

- The objectives of the data collection (purposes);
- Whether this data is mandatory or optional for processing of your request;
- Who may access the data;
- How to exercise your rights with regard to Rental Designer,.

Types of cookies deposited when you visit our website

When you visit the rental designer.com. website, different types of cookies are placed on your computer, mobile or tablet. A cookie is a small file stored by a visitor's browser at the request of a website. In application of the ePrivacy directive, we inform you that we may, after prior information and consent, deposit, use and access the cookies mentioned below.
